

Alejandro Harrison
Harri171@csu.fullerton.edu

The screenshot shows a terminal window titled "Terminal - student@tuffix-v..." within an Oracle VM VirtualBox environment. The terminal is running the GNU nano 3.2 text editor. The content of the editor shows a prompt for "Project-3", a message "Cuckoo hashing with 41", a section header "Group members:", and a list of names including "Alejandro Harrison harri171@csu.fullerton.edu".

```
File Machine View Input Devices Help
Terminal - student@tuffix-v...
